THIS preparation is getting into use all over our country.

The numerous letters we receive from our various agents, informing us of ourse effected in their immediate neighborhoods, warrant as in saying it is one of the best, if act the very best Cough Medicine new before the public—it almost invariably relieves and not unfrequently caree the very wortcases. When all other Cough preparations have indeed, this has relieved the patient, as broughtst, doniers in Medicines, and Faysicians can testify. As the Agent in your nearest town, what has been all superience of the effects of this medicine. If he has been selling it for any length of time he will tell you it is the best medicine estant. Below we give a few extracts from lotters we have received leastly regarding the virtues of this medicine.

Dr. S. Oslin, of Knoxville, Ga., says:—I have been using your Liverwort and Tar very extensively in toy practice for three years past, and, it is with pleasure I since my belief in its superfortly over all other articles with which I am acquainted, for which it is recommended.

Nessr. Fitzgerale de Bronners, writing from Waynesville, S. C., says:—"The Liverwort and Far is hearing daily more popular in this constry, and we think justify so. All who have tried it speak in commendable terms of requiremended.

Our Agent in Pickess District, S. C., Mr. S. E. McFalt, who have tried it speak in commensable transactive, and say its very beneficia in alleviating the complaints or which it is recommended.

Our Agent in Pickees District, S. C., Mr. S. R., McPalt, assures us that he uses it with great beneficial his own family and recommends it to his sainthora." He gives an instance of a negro woman in his vicinity, who had been suffering with disease of the Lungs for years, attended with saver cough, who was relieved by the liver wort and Tar.

Such are the good reports we hear of this Medicine from all parts of the South. For a report of the surprising curres it has performed in the Western and Morthern and Sastern States, we would invite the suffering patient to read the pumphlet which accompanies each bottle. To all we may, have ope, have hope!
